Died of Disease.
Pvt. Mark J. Gilbert, White River Junction, Vt.
A supplementary list issued to-day contained 165 names, divided as follows: Wounded (degree undetermined), 71; wounded slightly, 94. One Vermont man was included as follows:
Wounded Slightly.
Pvt. Lewis B. Abbott, St. Johnsbury, Vt.

AMERICANS INFLECTED FIVE TIMES AS HEAVY LOSSES ON BOLSHEVIKI

It Is Estimated That the Enemy Has Had at Least 500 Killed—Total Americans Killed in Action Numbered Only 75.

Archangel, Thursday, March 13 (By the Associated Press).—Compared to the losses inflicted upon the enemy, the allied casualties in the fighting along the Vaga river since Feb. 28 have been extremely light. It is estimated that the bolsheviks have lost at least 500 killed. The American casualties from Feb. 28 to March 9, inclusive, were five killed on

GIRLS! MAKE A BEAUTY LOTION WITH LEMONS

At the cost of a small jar of ordinary cold cream one can prepare a full quart pint of the most wonderful lemon skin softener and complexion beautifier, by squeezing the juice of two fresh lemons into a bottle containing three ounces of orchard white. Care should be taken to strain the juice through a fine cloth so no lemon pulp gets in, then this lotion will keep fresh for months. Every woman knows that lemon juice is used to bleach and remove such blemishes as freckles, sallowness and tan and is the ideal skin softener, smoothener and beautifier.

Just try it! Get three ounces of orchard white at any pharmacy and two lemons from the grocer and make up a quart pint of this sweetly fragrant lemon lotion and massage it daily into the face, neck, arms and hands. It should naturally help to whiten, soften, freshen and bring out the roses and beauty of any skin. It is truly marvelous to smoothen rough, red hands.—Adv.

TURKS TERRORIZING GREEKS IN ASIA MINOR

Despite the Fact That Armistice Has Been Signed, They Are Committing Acts in Violation of Its Terms.

Saloniki, Thursday, March 13.—Turkish troops in southern Asia Minor are ignoring the fact that an armistice has been signed and are terrorizing the Greeks in that region, according to the Metropolitan of Sivas, Asia Turkey, who says that allied forces should be sent to protect the population from the Young Turks.

POSLAM VITAL TO SUFFERERS FROM ECZEMA

If you have eczema, your prompt use of Poslam may mean all the difference between immediate comfort and a long period of itching distress. Take the easy, pleasant way to quick relief. Apply Poslam right on the raw places that burn and itch. Feel a hard lifted as the skin is soothed and pacified. You will know then to what a high state of efficiency this reliable remedy has been brought. Poslam is concentrated. Short treatment suffices for most minor troubles.

Sold everywhere. For free sample write to Emergency Laboratories, 243 West 47th street, New York City.

Poslam Soap, medicated with Poslam, should be used if skin is tender and sensitive.—Adv.

PEPTIRON IS GOOD

This Real Iron Tonic Combines Merit, Economy and "Pep."

Made from a formula that uses iron in most digestible form, pepsin and gelatin, great stomach tonics, nux and celery, the best vegetable remedies for the nerves, and also manganese and other valuable nutrients—there's no question of the value of Peptiron as a blood builder and strengthener.

The larger size of Peptiron contains enough for a full month's treatment, while other so-called iron preparations contain only one-half or less.

The "pep" or promptness with which Peptiron does its work is noted by everyone who takes it.

From the first dose the system responds to the treatment, and you realize you are at last using a medicine that begins right, continues and ends right. Better get a bottle of Peptiron to-day. Take two Peptiron after each meal—then comes good blood, good appetite, and—pep.—Adv.

CUTICURA HEALS SCALP

Hair fell out in handfuls. Scalp dry and itchy. Was itchy, rubbed and irritated so would wake at night. Hair dry and brittle and had disfigured with scales falling off. Used soaps and ointments with no results. Then used Cuticura, and when had used two cakes Soap and two boxes Ointment head was healed. From signed statement of Miss Mary Martin, Rutland, Mass.

For every purpose of the toilet and nursery Cuticura Soap, Ointment and Talcum are supreme.

Cuticura Talcum is delicate, delightful, distingué. Sample of Soap, Ointment and Talcum, free of "Cuticura, Dept. H, Boston." Everywhere 25c. each.

the Vaga front and ten on the Dvina front. No officers were killed. One American soldier is missing and two of the 30 men were wounded.

The total American casualties to date in north Russia follows:

Killed in action: Officers 4, men 71.

Died of wound: Officers 1, men 18.

Missing: Men 38.

Died of disease: Officers 2, men 67.

Drowned: Officers 11, men 241.

The health of the expeditionary forces since the Spanish influenza epidemic in September and October has been excellent. Of the 89 deaths from disease, 63 occurred before Jan. 4. In the fighting the American troops have generally been greatly outnumbered but the losses inflicted on the enemy have been at least five times those suffered by the Americans. As the newly mobilized Russian troops are becoming trained, they are gradually relieving the strain to which the American, British and French forces were put in the early days of the campaign. All American troops now are enjoying regular rest periods, either at Archangel or at convenient villages behind the lines.

CANNOT UNDERSTAND HIGH PRICE OF COAL

Governor Sproul of Pennsylvania Asks Attorney General Why Operators Should Maintain Price When Coal Is Plenty.

Philadelphia, March 14.—Anthracite coal operators were to-day disinclined to comment upon the action of Governor Sproul inquiring of Attorney General W. L. Schafer whether the state had authority to investigate the reasons for increasing the price of the fuel by the producing companies. The governor said some of the miners were on short time due to slackening demand, and that he was at a loss to understand the commercial or economic justification for increasing prices at this time.

Governor Sproul's action was prompted by the announcement of several of the large companies that present prices would continue until May 1, when 10 cents a ton would be added each month for five months. One large independent company announced it would make the increase 15 cents a ton a month.

In recent years it has been the custom of the companies to reduce winter prices on domestic sizes 50 cents a ton on April 1 and increases them 10 cents a ton for five months beginning May 1. The governor informed the attorney general he was prepared to recommend that a legislative commission investigate the rise in prices.

A bill was introduced in the legislature early in February providing for a commission to investigate the question of reducing the prices of food and fuel. This bill is still in committee. It is understood mine workers oppose it for the reason that any reduction in the price of coal might have some effect upon wages.

Plans for negotiating new wage contracts in the hard and soft coal regions next year are already under way. The policy committee of the United Mine Workers, representing all the organized coal miners in the country, will meet in Indianapolis next Tuesday to consider conditions in the industry. The anthracite men are urging an equal distribution of work among miners on short time.

AMERICANS IN ANGRY MOOD

Soldiers Said to Have Assaulted Japanese Consul at Tien Tsin

PROTEST AGAINST COMRADES' TREATMENT

Crowd of 200 Marines Said to Have Attacked Every Japanese in Sight

Pekin, Thursday, March 13 (By the Associated Press).—American marines have raided the Japanese consulate at Tien Tsin, forcing their way into the Japanese consulate and assaulting the consul, according to dispatches received here.

The trouble is said to have been caused by the rough treatment given American soldiers who became disorderly in the Japanese quarter of the city. Japanese soldiers drove out the Americans with fixed bayonets, it is said, wounding two of them quite seriously. The next day, 200 angry marines, who were off duty, paraded through the Japanese concession, and it is alleged they attacked every Japanese encountered. When the marines reached the consulate they forcibly entered, it is reported, and assaulted the consul, whose injuries are understood to be serious.

The consular body is deliberating on measures to be taken to restore normal conditions. It is said that feeling is running high in Tien Tsin.

GAINED TERRITORY THE SIZE OF FRANCE

Bolshevik Claim to Have Made Great Advance During January and February.

London, March 14.—The bolshevik general staff at Moscow claims that during January and February the bolshevik army occupied territory the size of France, having 1,055 miles of railroad under its control, and declares that the soviet troops will reach Archangel by May 1, according to a Helsingfors dispatch to the Mail.

After the bolsheviks entered Kiev they are said to have executed Professor Baranovsky, an economist, who was recently appointed to represent Ukraine in Paris. Professor Zabolotij, Professor Efimenko, General Balbachan, 11 newspaper men and the president of the municipality are also reported to have been shot by the bolsheviks.

SAGE TEA DARKENS HAIR TO ANY SHADE

Don't Stay Gray! Here's an Old-Time Recipe That Anybody Can Apply.

The use of sage and sulphur for restoring faded, gray hair to its natural color dates back to grandmother's time. She used it to keep her hair beautifully dark, glossy and attractive. Whenever her hair took on that dull, faded or streaked appearance, this simple mixture was applied with wonderful effect.

But brewing at home is messy and out-of-date. Nowadays, by asking at any drug store for a bottle of "Wyeth's Sage and Sulphur Compound," you will get this famous old preparation, improved by the addition of other ingredients, which can be depended upon to restore natural color and beauty to the hair.

A well-known downtown druggist says it darkens the hair so naturally and evenly that nobody can tell it has been applied. You simply dampen a sponge or soft brush with it and draw this through your hair, taking one strand at a time. By morning the gray hair disappears, and after another application or two, it becomes beautifully dark and glossy.—Adv.

MONTPELIER SEMINARY Band Society Wins Debate from the Adelphi.

One of the most interesting events of the school year took place Wednesday at the seminary chapel in the form of a prize debate between the Band and Adelphi societies. The question for debate was: "Resolved, That the league of nations established on the principles now being considered by the peace conference would contribute to the political, economic, and social welfare of the nations and the people of the world." Excellent work was done on both sides, much study and thought being shown on the part of all who participated. Henry Fuller was considered as worthy of first honors in general excellence in presentation and debate, and Clayton Tilton second in that regard. Professor C. A. Davis, who trained the debaters, should also come in for a good share of credit.

The members of the Adelphi team, who supported the affirmative were Whitney Parker, 19, Captain J. Gilman Irons, 19, Henry Fuller, 21, and of the Band team, who supported the negative, were Jason Clark, 19, Captain Robert Billings, 20, Clayton Tilton, 20. The judges were Senator H. B. Ames of Island Pond and Rev. L. C. Carson, Ph. D., and Hon. J. B. Estee of this city.

Athletic Entertainment at Montpelier Seminary March 15.

An entertainment will be held Saturday evening at 8 o'clock in the seminary chapel for the benefit of the Athletic association. A varied program of chorus and costume songs, a short farce, etc., will be given. The entertainment is under the direction of Miss Bickford, the teacher of voice, and Prof. Maiden, athletic coach.

WASHINGTON

Services in the Baptist church Sunday afternoon at 3 o'clock. Rev. Edgar Crossland of Barre will preach.

Public dance at schoolhouse hall March 15. Dancing, 8 to 12. Everyone come.—adv.

Quinine That Does Not Affect Head.
Because of its tonic and laxative effect, LAXATIVE BROMO QUININE (Tablets) can be taken by anyone without causing nervousness or ringing in the head. There is only one "Bromo Quinine," E. W. GROVE'S signature on the box. 30c.—Adv.

Some Facts About Prices Addressed to Farmers

A good many people when they buy things make the mistake of thinking a price really means something taken by itself.

You know how foolish it is to buy simply because something is low priced; yet quoting low prices attracts a lot of people who don't know much about the real value of merchandise. They get a thing simply because they think it's low priced—without any regard for the quality.

We have Hart Schaffner & Marx clothes here priced at \$35 to \$60; they're the best clothes made, but you can buy clothes at \$35 to \$60 anywhere else in town; maybe you can buy them for less, so it's quite ridiculous for us to expect you to come to us for clothes just because of a price; anybody can match prices.

We want you to come here because of the spirit of service that we have; because your money is less important to us than satisfaction; because whatever price you pay we're going to see that you get more per dollar here than anywhere else.

We want you to come for Hart Schaffner & Marx clothes; because they are well made and guaranteed to satisfy you or your money back.

DO NOT WANT REPETITION OF FIGHT FIASCO

Authorities of Havana Say If Johnson's Story Is True, the People Were "Deceived and Defrauded."

Havana, March 14.—The attention of the judicial authorities here has been called to the declarations made by Jack Johnson, former heavyweight champion, that his bout with Jess Willard in this city four years ago was a fake. A written report on the incident has been made by a lieutenant of detectives.

In closing his report, which includes the translated version of Johnson's statement as published here to-day, the detective says:

"From the foregoing it may be seen that, if this story is true, the people were deceived and defrauded, and that it is desired to repeat the event, with the same or a similar combination." The report adds that "although these events occurred sometime ago, they have become known through their publication, and Johnson, who is here on his way to Mexico, may evade any possibility which he may have incurred."

PAINS AND ACHES YIELD QUICKLY TO SLOAN'S LINIMENT

Are you tormented by Neuralgia, Lumbago, Sciatica or any of those aches that require a counter-irritant? Then let the soothing, warming application of Sloan's Liniment stop the pain by drawing the blood away from the congested part.

It is the pressure on the nerves by the blood rushing to the inflamed muscle or joint that makes you ache. So when Sloan's Liniment relieves the swollen blood vessels by setting up a counter-irritant on the surface, the

circulation is equalized, sympathetic nerves all soothed, and soreness or lameness disappears. Sloan's Liniment is probably the counter-irritant most widely used to overcome painful inflammation in cases of neuralgia, sore muscles, wrenched joints, strains, bruises, gout. Rubbing is not required. This clear, clean liquid is easily applied as it does not stain the skin.

Generous size bottles at your druggists.

Carpenter Says He Didn't Have a Picnic

C. M. Holden, of Cummings street, Montpelier, Vt., who is a well-known carpenter, says: "I suffered with kidney trouble and rheumatism for four years. I had the rheumatism in my joints and muscles, and the pain got me in the back, arms and shoulders. I had to cough up mucus every morning. My kidneys bothered me,

so I had to get up many times during the night, and I was all run down, and let me tell you I didn't have much of a picnic with my trouble."

Holden began taking Goldine a short time ago. If you are wondering what this new medicine will do for you, just ask Holden what it did for him.

Ask Mrs. D. Lacoste, of 237 Margaret street, Plattsburg, about Goldine and what it did for her.

Goldine is sold in Barre by Cummings & Lewis and all leading dealers throughout the section, including the towns of East Barre, S. Barre, Websterville, Grantville, Williams-town, Washington, W. Topsham and Brookfield.—Adv.

To the Citizens of Barre and Vicinity:

Unfortunately we can only invite 150 gentlemen to our banquet at Hotel Barre on Friday evening, March 14, 1919, because the comfortable seating capacity of the dining room make only this number practical. We of course wish to take care of our Olds dealers and their guests. There were but thirty odd seats remaining. We have invited only officers of the different associations which are to help us act as hosts, together with members of the several committees; also, all automobile dealers in this immediate section.

We hope this will in a way explain why you have not received an invitation to our banquet.

We sincerely hope you will join with us in making the balance of our program successful and allow our guests to take home with them kind thoughts of the hospitality extended by the citizens of Barre.

Don't forget the picture show at 10 p. m. at the Park Theatre, under the able management of Mr. J. B. Eames.

Thanks.

OLDSMOBILE COMPANY OF VT.
